Commissioner for Patents

The reply filed on 12/27/07 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): The newly amended claims 1 and 12 (i.e. a coated implantable medical device) are directed to an invention that is independent or distinct from the invention originally claimed. Since applicant has received an action on the merits for the originally presented invention (i.e. a coating composition), this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, newly amended claims 1-14 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03. Since the above-mentioned reply appears to be bona fide, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME LIMIT MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Helen L. Pezzuto whose telephone number is (571) 272-1108.
